

Screening

Please click anywhere on this page at least five times. The number of times you click will be recorded automatically, even if you do not see any change on this page. This is an attention check. Failing this attention check will result in rejecting your hit. Thank you.

Attention check not passed.

If you see this note, it means that you failed the attention check presented on the previous page, which read:

"Please click anywhere on this page at least five times. The number of times you click will be recorded automatically, even if you do not see any change on this page. This is an attention check. Failing this attention check will result in rejecting your hit. Thank you."

If you submit this HIT, the HIT will be rejected.

Intro

Thank you for deciding to participate in this survey! Please read the questions on the screen carefully, and answer them honestly. There are no right or wrong answers, we are simply interested in your opinion. We thank you in advance for your honest and thoughtful responses.

STUDY ON INVESTING

We are interested in your opinion about a new way of investing money. Next, you will see a short article about a robo-advisor by Bank of America called MEGI. Please read the article carefully. We will then ask you some questions.
